NOTICE TO THE BAR **July 15, 2020**

In an effort to expedite matters before the court during this public health emergency, we have decided to provide an alternative track for attorneys seeking to probate here in Bergen County. **Attorneys may either pursue the established protocol of notarization via Webex or they may contact our office to have the requisite documents sent to their attention via e-mail so they may then take signatures from clients if they have the ability to proceed in that manner.** This alternative track should work to our mutual advantage in mitigating turnaround time for everyone who is currently awaiting service.
