**NOTICE TO THE BAR**  
**GUARDIANSHIP MATTERS**

As of November 1, 2022, the standard hourly fee in guardianship matters for court appointed counsel shall increase to \$275.00 per hour.

In matters in which individuals have greater financial resources, Chancery Judges shall consider augmenting that hourly amount.

For those individuals who have contributed their time and energies at a reduced rate, your efforts and generosity are recognized and appreciated.
